

SARAH LEARNING ACADEMY 2025

Welcome To Sarah Learning Academy

Your Trusted Partner in Continuous Learning
Empowering Confident Communicators for Tomorrow

Presented by:

Sobiya Khan

Sarah Learning Academy (SLA)

Where communication meets confidence.

About Us

Who We Are

Sarah Learning Academy is an education-focused organization dedicated to nurturing strong communication skills in school children.

What We Do

- Strengthen students' speaking and communication abilities
- Build confidence and self-expression from an early age
- Deliver structured learning through interactive E-Learning programs
- Establish modern communication labs supported by a complete curriculum
- Our mission is simple: to help every child speak with clarity, confidence, and purpose

Why Communication Skills Matter

The Need of the Hour

Strong speaking skills are essential for academics, competitive exams, and future careers

Many students face challenges such as:

- Stage fear
- Low confidence
- Difficulty expressing ideas clearly

NEP 2020 emphasizes skill-based, experiential, and practical learning

- **Schools offering communication programs:**
 - Stand out academically
 - Build greater parent trust
 - Prepare students for real-world success

What Is A Communication Lab?

A Dedicated Space for Skill Development

Our Communication Lab is a structured environment where students learn by doing.

- Key Learning Areas
- Spoken English
- Public speaking
- Debate & group discussions
- Storytelling & creative expression
- Active listening skills
- Confidence-building activities

Features Of Our Communication Lab

- Fully equipped lab with required infrastructure
- Easy-to-follow curriculum across grades
- Weekly interactive sessions
- Activity-based and practical learning
- Teacher training and continuous support
- Regular assessments and progress reports

Benefits For Students

Student Transformation Outcomes

- Improved English fluency and pronunciation
- Enhanced vocabulary
- Increased confidence and reduced stage fear
- Strong presentation and communication skills
- Overall personality and behavioral development
- Our program helps students think clearly, speak confidently, and present effectively.

Benefits For Schools

Institutional Advantages

- Adds a modern, value-driven facility to the school
- Improves school reputation and parent satisfaction
- Supports NEP 2020 skill-based education
- Helps attract new admissions
- Demonstrates visible improvement in student behavior and communication
- This program positions the school as a future-ready institution.

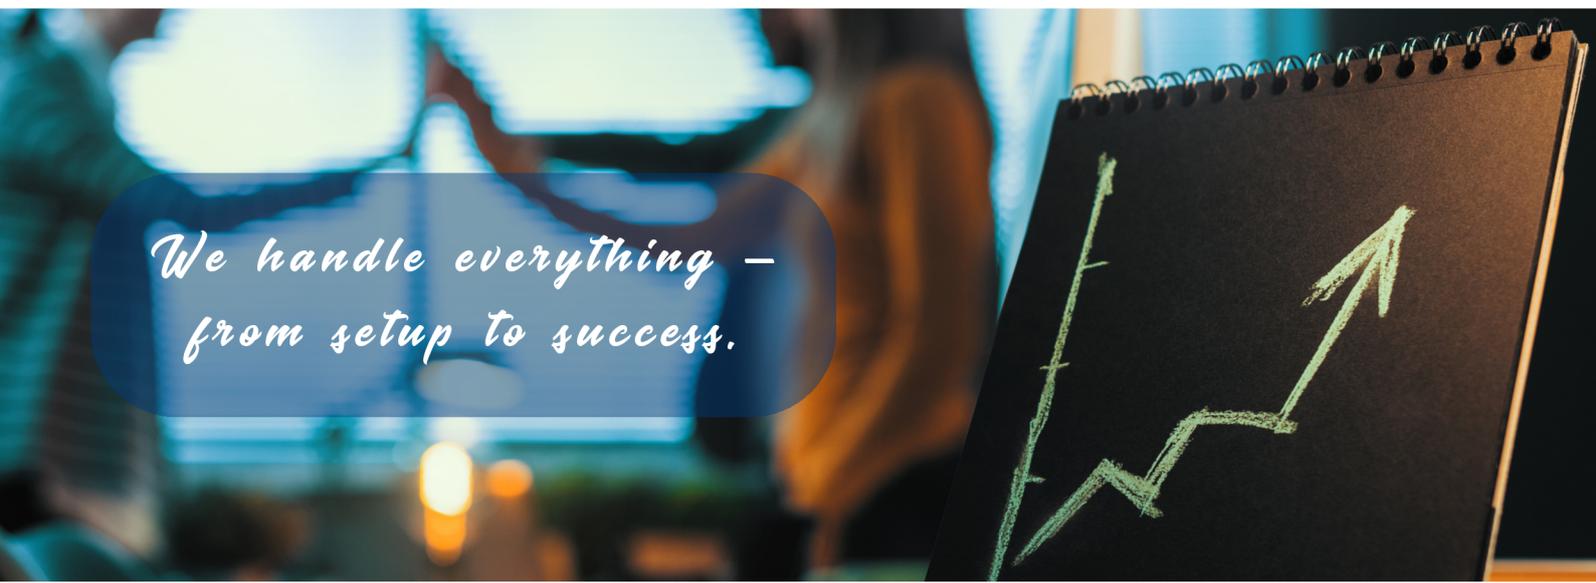

BENEFITS

What We Provide?

End to End Implementation

- School visit and needs assessment
- Complete lab setup with equipment
- Qualified and trained instructors
- Weekly structured classes
- Interactive activities and assessments
- Continuous support and annual performance review

*We handle everything –
from setup to success.*
